EDUCATION

Mechatronics Engineering

2015-2018 | GPA 3.48

Pathumwan Institute of Technology

SKILLS

PLC & HMI (Proficient)

Delta, Mitsubishi, OMRON, Keyence

.NET C# (Proficient)

C#, WPF, SQL Express, SQLite

ROBOT

KUKA, DELTA, ABB, YAMAHA

IoT

CFX+, PQM, MES

ABOUT ME

I am a dedicated Software Engineer with 8 years of experience in programming automation machines and working with SMT lines. My expertise lies in designing and implementing automation solutions that enhance efficiency and accuracy in manufacturing processes. I am passionate about leveraging my skills in PLC, HMI, and PC-based systems to drive innovation.

WORK EXPERIENCE

2018 - 2023

Ampas industries co.,Ltd

Software Engineer

Automation machines and SMT Line.

2023 - 2026

Delta Electronics (Thailand)

Software Engineer

Innovation Design

R&D Automation machines.

CERTIFICATE

**SolidWorks
Fundamental**

Metro Systems Corporation
Public Company Limited
2018

**Robot Studio
training course**

ABB Automation Robotics
2019

Advance PLC

Mitsubishi Electric Factory
Automation (Thailand)
2020

**AOI TRAINING
COURSE**
